Caution

- Do not leave used batteries for long periods in the battery compartment.
- Remove the batteries if the candles are unlikely to be used for extended periods. Keep the batteries in a safe place.

General handling and installation

- Handle the pillar candles with care; do not allow heavy contact with hard surfaces.
- Ensure the pillar candles are not positioned where they can be inadvertently damaged by doors, moving objects, people or animals.
- These are not a toy. Keep the candles and batteries out of the reach of small children and pets.
- For indoor use only.

To operate

Use the slide switch at the bottom of the candle to turn the candle ON or OFF.

Battery replacement

1. When the candle becomes dim, the battery needs replacing.
2. Remove the retaining screw and open the battery cover.
3. Replace all the batteries with new AAA size batteries (Alkaline recommended).
4. Observe the correct polarities as marked when replacing the batteries.
5. Fit the the cover and tighten the screw to secure it.
6. Dispose of the drained batteries properly.
