SAFETY & CARE ADVICE

Please read these instructions fully before starting assembly.

- From time to time, check that there are no loose screws on this unit.
- This product should not be discarded with household waste.
Take to your local authority waste disposal centre.
- Cover the set when it is not in use, and store inside during winter.
Ensure the product is dry before storing, as freezing water may cause damage to the product and void the warranty.
- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- Use of water over time may cause natural erosion and this can be corrected by using a standard paint. Severe or complete fading is only covered in the 1st year of warranty (proof of purchase will be required).
- Maximum safe weight of user is 110kg (per seat).
