SAFETY & CARE ADVICE :

Please read these instructions fully before starting assembly.

- This table is made from toughened glass, which is strong but not unbreakable. In the unlikely event that the glass fails, it will break into a large number of small fragments that may be spread over a wide area. This is a feature of toughened glass and is designed to remove the risk of injury from glass breaking into large shards.
- Tables should not be dragged at any time.
- Do not strike or place heavy weight on the table.
- Do not place hot items directly onto the glass.
- Avoid dropping objects on the glass as this may weaken or shatter it.
- Do not use the glass as a chopping surface. Do not strike the glass with hard or pointed items.
- Remove parasol from base when table is not in use or in windy conditions.
- Check you have all the components and tools listed in this booklet before assembly.
- Remove all fittings from their plastic bags and separate them into their groups.
- Keep children and animals away from the work area; small parts could choke if swallowed.
- Make sure you have enough space to lay out the parts before starting.
- Do not stand or put weight on the component parts during assembly, as this could cause damage.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- A two-person assembly is recommended.
- Dispose of all packaging carefully and responsibly.
- Maximum user weight per seat 110kgs.

IMPORTANT INFORMATION :

- Regularly check all the bolts, screws and fastenings are secure.
- Only clean using a damp cloth and mild detergent; do not use bleach or abrasive cleaners.
- Make sure each screw matches the corresponding figure to ensure correct assembly.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
- To prolong the life of this unit, we recommend it is stored inside during winter or extended periods of bad weather.

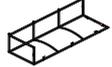

Please check you have all the components and fittings listed. If you find any missing or damaged parts, please contact our customer services team on 0333 003 7084 between 09:00 & 18:00, or use the contact form on our website. www.homebase.co.uk

General care:

Over time, the fabric can become crushed and change in appearance slightly, however, there are some simple measures you can take to preserve its softness and alluring appeal.

For items of furniture that are facing heavy use, it's advisable to gently vacuum the fabric with an upholstery attachment at least once a week. Alternatively, you can also use a soft bristled brush or clothes brush. Always blot spills immediately with a clean cloth by dabbing the area gently.

Some fabrics are prone to marking, so be mindful not to leave anything heavy resting on your furniture for too long as this can cause marks and dents.
